" I never knew of a morning in Africa when I woke that I was not happy" – Ernest Hemingway

INTRODUCTION:

Lauwater Wes was founded in 1908 and is one of the oldest established farms in Namibia. It was originally owned by the Keil Family and was passed down to the younger generations.

The farm ownership was taken over in 1998 by Sarel du Toit. Lauwater Wes is a registered game farm within a formal Conservancy (Dordabis), easily accessible and set in an excellent Savannah area.

The game farm is 155km south east outside Windhoek and 145km from the Windhoek Airport. The size of the ranch is 7403 hectares.

ACCOMODATION:

We are fully aware of the high expectations of our guests and therefore guarantee an unforgettable hunting experience. The accommodation at Lauwater Wes is divided in three different options.

Guests have the option of staying on the main grounds, in chalets or the bush camp.

The camp is set in the bush, surrounded by the African beauty and sounds. The bush camp gives you the chance to experience nature in its purest form, ensuring that you have a unique African experience.

BASIC RULES AND SAFETY RECOMMENDATIONS:

Weapons and Ammunition:

1. Licensing:
Please ensure that all weapons are fully licensed
A maximum of thirty rounds per weapon is allowed.
2. Calibre:
Please ensure that the calibre of the weapon is relevant to the game hunted e.g. at least 0.30 calibre for game bigger than springbuck.
3. Skills:
All hunters should have previous hunting experience with their particular weapons that they are going to use for the hunt.

4. Rules:

- No loaded weapon will be allowed on the vehicle
- Weapons are not allowed to stand loose on vehicle
- No person will be allowed to handle a weapon while under the influence of alcohol
- No hunting or shooting will be allowed without the guide or professional hunter present.

Vehicles:

- No driving under the influence of alcohol
- Ensure that the driver or co-driver is accustomed to working with a radio
- Ensure that there is always a first aid kit in the vehicle
- No other vehicles other than the ranch's vehicles are to be used for hunting
- Guides should always be present when using the vehicles for hunting or game viewing

DOCUMENTATION:

The only documentation that is organized by the company is the invitational letter and standard hunting permit. All other permits and documentation is the hunter's responsibility.

Permits for raw meat to RSA

As with immediate effect, the exportation of animal products for own use from the officially recognised FMD free areas of Namibia has been changed.

1. The product should form part of the travellers personal luggage and intended for personal use. **It may not be sold or disposed of in any way other than by own consumption/use.**
2. Please note that up to **25kg of meat from the FMD free zone may be exported without any certification.** This excludes pork and meat from wild pigs or warthogs.
3. Quantities of meat over 25kg now require an import permit. The limit for processed meats (polony etc) is 25kg. (>25kg - 250kg per importer: South African veterinary import permit and veterinary health certificate from the exporting country is required.) Permit costs is R105.00.

4. Up to **10kg of biltong and droewors** may be imported without a veterinary import permit. Larger quantities now require an import permit.
5. Animals and animal products that require a veterinary import permit (including large quantities for own use) may only be exported through Vioolsdrift, Nakop or in-transit through Botswana via Ramatlabama. Small quantities of products that do not require import documentation may be exported through any port if it is clearly part of personal luggage.
6. In order to qualify as person in terms of the guidelines, the person must be older than 12 years.
